

Attention: Parent/Guardians

It's FREE to set up and use the account!

With mySchoolBucks.com parents can view account balances or recent meal purchases, add money to their student's account, and setup low balance alerts through this award-winning, parent friendly system. **You do not have to put money on account on-line to have an account and view meal transactions.**

The only time there is a fee is when you fund the account with a debit/credit card!

You can fund the account with **NO FEE** by **cash or check at the school**. Send cash or check in with your student. On account payments will also be taken at the schools and can be put on the students account without going on-line. At the elementary schools, please put payment (cash or check) in an envelope and label it with your child's full name, classroom number and that the money is for "meal account" so it can be applied to the students account accurately. At the Middle and High School, just give the check or money to the cashier in line.

FEATURES & BENEFITS

MySchoolBucks brings you the convenience of managing student's meal payments. Easily and Securely fund your student's account via credit or debit card.
Please Note: payments can take up to 2 business days to post to account.

- Customer Support to help answer any questions. Call 855-832-5226
- Low balance alerts, recurring payment options, review purchase history.
- A \$2.75 fee is charged per MySchoolBucks transaction, no matter how much money is put on accounts. One payment can be split up and applied to other students at all of Enfield Public Schools.
For example: You want to put \$50.00 on your two students accounts. \$100.00 is selected and a \$2.75 fee is added. Your credit card is charged \$102.75. You then add \$50.00 to each student's account.

How do I get started?

Getting started is a simple three-step process. Go to: **myschoolbucks.com**, then:

1. Create a user profile by clicking on the Start Here button on the home page.
2. Add students to your household - you'll need the child's name and birth date and student ID. The student ID# can be found on the Power School parent portal, where all your other student info is located.
3. Now you're ready to view transactions and balances and even make payments! It's that easy!!!
