HIGHLIGHTS OF BOARD SUMMER SCHOOL POLICY: 6174

II.C.2. Enrollment and credit for any summer course taken in Enfield or a neighboring community must receive the prior approval of the student's guidance counselor or building administrator.

II.C.3. Summer school courses, unless otherwise stated, will be treated as level 3 courses for G.P.A. computational purposes.

II.C.4. No more than 50% of the total credits needed in a required subject area for graduation may be accrued in summer school.

III.A.2. Students must have been enrolled for the entire course and achieved a course average of 50 or a grade of 50 on the final exam during the regular school year to enroll in a summer school course.

III.A.3. Credit for any summer school course will be awarded only to the amount lost in any individual school year.

IV.C. More than one absence will result in loss of credit or dismissal without refund, subject to appeal. If a student is late to class by ten minutes or more, it will be recorded as a tardy. Three tardies will be considered as an absence.

IV.E. A final exam must be taken at the conclusion of all summer school courses and will account for 20 percent of the final grade. The final exam will be comparable in difficulty and scope as that given during the regular school year. The final exam must be approved by the appropriate department chairperson(s). In any generic course a comparable final exam is to be used.
