

## **Grade 10**

**Health Assessment:** Physical exam must be done between January 1st of the 9th grade year but before May 1<sup>st</sup> of the 10<sup>th</sup> grade year, (i.e., for the 2008/09 school year, the exam must be done after 1/1/08 or before 5/01/09). The results of this exam must be recorded on a State of Connecticut blue health assessment form.

**TB Screening:** As part of the health assessment, the student is screened for TB risks. If low risk, must be recorded as low risk on health assessment form. If student is a high risk for TB, then the results of a mantoux test must be recorded.

**Sports Physical:** While a yearly physical exam is required for participation, it is not acceptable in place of the State of Connecticut mandated grade 10 health assessment.

**Screenings:** Vision, Hearing & Postural are done as part of the Health Assessment.

**Immunizations:** DTaP/Td: at least 3 doses.  
The last dose must be given on or after the 4th birthday.

POLIO: at least 3 doses. The last dose must be given on or after the 4th birthday.

MMR: 1 dose on or after the 1st birthday.

MEASLES: a second dose of measles vaccine or a second MMR vaccine

HBV: 3 doses Hepatitis B vaccine

VARICELLA: written proof of either the vaccine or the disease

Vaccine: 1 dose on or after the 1st birthday if given before the 13th birthday.  
2 doses given at least 4 weeks apart if the 1st dose was given on or after the 13th birthday.

Disease: written statement signed and dated by an MD, PA or APRN as to history of the disease or confirmation in writing of a positive blood titer I
