***Federal, State And Private Grants For Education**

“State and federal prepayment grants are awarded by the State Department of Education (SDE) to achieve specific educational goals, to meet the needs of particular segments of school populations or to operate specialized educational programs. Funds distributed to grantees to accomplish these objectives are either entitlement-based where the amount of funds per grantee is determined by statutory formula and the funds are reserved for that grantee pending application and approval, or discretionary/competitive where the amount of funds and number of grantees is determined through a request for proposal (RFP) submission and evaluation.” (Prepayment Grants Local Fiscal Processing Manual, New June 1995, Bureau of Grants Processing, Connecticut State Department of Education.)

Typically, Federal Grants awarded to the Enfield Public Schools are two-year grants, for use in all or a portion of two consecutive fiscal years. Most State Grants are one-year grants that must be spent by June 30th of each year. Unexpended funds are returned to the State. Expenditure categories (line items) are authorized and monitored by the SDE. The SDE also authorizes revision requests.

We have not listed the Educational Cost Sharing (ECS) Grant, which goes directly to the Town or the Excess Cost Grant for Special Education which is estimated within the budget document on the Special Education page.

Grants are awarded contingent upon the continuing availability of funds from the grant's funding source and the continuing eligibility of the State of Connecticut and our town/agency to receive such funds.

The requirement of these various grants is that they “supplement” and not “supplant” local funding efforts. In other words, the grants should be above and beyond any allocation from the Town Council as noted in the following reference to C.G.S. 10-266aa(g).

Connecticut General Statute (CGS) 10-266aa (g) requires that towns make these funds available to their local or regional board of education ‘in supplement to any other local appropriation, other state or federal grant or other revenue’ to which the board of education is entitled. Districts may use the funds for any educational purposes, especially those that enhance and enrich programs and activities reducing racial, ethnic, and economic isolation.

The amounts awarded in these various grants are often subject to change based on State or Federal budget related activities. Therefore, estimated amounts should be viewed as tentative.

Following the conclusion of each fiscal year, June 30th, a financial report is prepared by an independent certified public accounting firm, which is retained by the Town of Enfield. This examination is performed in accordance with generally accepted auditing standards and the findings are reported to the State Department of Education.

Enfield Public Schools

Private Grants

Simcovitz Endowment **\$100,000**

Enfield Public Schools is honored to be a recipient of the Estate of Abraham Simcovitz funding to be used exclusively for the creation, development, and maintenance of the Gifted and Talented (TAG) program at JFK Middle School. The endowment supports 1 FTE and program activities and supplies for various student events and competitions. This endowment will support the TAG program annually for many years.

Breakthrough Series Collaborative (BSC) **\$ 6,661**

BSC grant will help partially offset the cost such as hotel, airfare, transportation and per diem for food paid by the school/district for participants in the BSC for supporting Trauma-Informed Schools to keep students in the classroom.

CAS-CIAC Endowment and Flanagan Grant **\$1,605**

CAS-CIAC Endowment and Flanagan Grant is to provide an opportunity for schools and/or students to expand their education experiences. This program would provide the opportunity for more students to become involved in a school-sponsored team activity, specifically in competitive esports. Through both in-house practices and interscholastic competitions, these students will therefore have the chance to develop essential skills such as leadership, communication, teamwork, creative problem-solving and time-management that may otherwise be inaccessible.

LEGO Community Fund **\$ 48,874**

The Lego Local Community Engagement Grant helps support the integration of Lego Education products into Enfield Public Schools instruction in pre-school and elementary classrooms in a meaningful and organic way.
