Employment at Will

The Superintendent or designee shall make assignments of personnel in the best interest of the Enfield Public Schools.

The Superintendent or his/her designee shall specify and assign duties to personnel and shall be responsible for the enforcement of such rules and other contractual obligations as the Board may from time to time establish for the proper and efficient operation of the District.

The assignment of personnel may include assignments, at times, not restricted to the traditional school day in order to maximize the effectiveness of staff programs, and time for instruction.

Transfers shall be made in the best interest of the Enfield Public Schools.
